

# Having Your KIDNEY Donor Find YOU!

## Wait Times at Transplant Centers

With the following link, you could search for any transplant hospital's wait time. First search at the top of the page under: **FIND & COMPARE TRANSPLANT PROGRAMS**. Select Kidney and by name or zip code. Scroll down to see the results and click on View Complete Report. It's a large document filled with information about that center. Page 11 has the information about their wait times. **NOTE:** Before looking into other transplant programs check with your insurance provider to be sure you will be covered at that hospital.

Here's another link for finding or comparing wait times at transplant centers.

<http://www.transplantinterface.com/>

This website also shows waiting times at selected centers, the information displayed in this resource could be a bit confusing.
